

# DONATE TO **HELP THE PEOPLE OF UKRAINE**

## Sunflower of Peace

## Mission

To support the people of Ukraine suffering from Russian military **invasion** by **raising funds** to acquire medical first aid and humanitarian supplies and distribute them to doctors and paramedics in Ukraine

## Russia Waged a Full-Scale War on Ukraine. You Can Help

Due to the current crisis in Ukraine, Sunflower of Peace started a new fundraiser to **provide medical and humanitarian aid** that will be used by the paramedics and doctors in the areas that are affected by the violence in Ukraine. We are acquiring and distributing **first-aid backpacks**, **medicine**, **medical instruments**, and other **means of survival** that are saving hundreds of lives. These supplies meant the world to people affected by violence when we started our first fundraiser in 2015, and they mean the world to all Ukrainians now

**Donate What You Can - Every Contribution Counts**  
**>\$5M** raised for the people of Ukraine
